Current Responsibility

Jenn Castelhana is a principal and consulting actuary in the Hartford office of Milliman. She currently consults on various actuarial projects for a number of employee benefit clients. She joined the firm in 2012.

Professional Work Experience

Jenn has 20 years of experience providing retirement consulting services to plan sponsors that include publicly traded companies, privately held corporations, not-for-profit corporations, and public sector clients. Her experience includes all areas of pension and retiree healthcare projects, including actuarial funding valuations, plan design studies, long-term forecasting of pension and OPEB costs, experience studies, FASB and GASB valuations, nondiscrimination testing, employee communications, government filings, and plan terminations. Jenn also has significant experience in developing cost projection models for clients to determine future funding levels and the cost of proposed plan changes.

Professional Designations

- Fellow, Society of Actuaries
- Enrolled Actuary, ERISA
- Member, American Academy of Actuaries

Education

BA, Actuarial Science, University of Connecticut

Presentations and Publications

Jenn is the managing editor for Milliman's Dear Actuary publication.
